## **The General Data Protection Regulation (GDPR) and Your Application**

When you submit your application to us, it's important that you understand how we process your personal data in accordance with the GDPR. GDPR is a European law aimed at protecting your personal privacy when we collect, store, and use your information.

### **1. What data do we collect?**

We collect personal data that you provide in your application. This may include your name, contact information, work history, educational background, and other relevant details.

### **2. Why do we collect your data?**

We collect your data to assess your application and make decisions regarding our collaboration or partnership. Your data is used solely for this purpose.

### **3. How do we protect your data?**

We take your data protection seriously. Your data is stored securely and is only shared internally with individuals involved in the collaboration process. We implement appropriate technical and organizational measures to ensure the protection of your data.

### **4. How long do we retain your data?**

We retain your data only for as long as necessary to process your application or manage our collaboration. If the collaboration does not proceed, your data will be deleted within a reasonable time frame.

### **5. Your rights under GDPR**

Under GDPR, you have the right to request access to your data, correction of incorrect data, deletion of data (unless it conflicts with other laws), and the right to object to certain uses of your data.

We hope this information has provided you with a better understanding of how we handle your personal data in connection with your application or collaboration request. If you have any questions or wish to exercise your rights under GDPR, please do not hesitate to contact us at [collab@abi.se](mailto:collab@abi.se)
